

At Serve the City we believe that **environmental aspects** are closely tied to **social issues** and so now is the right time to take action and take care of our cities and their surroundings!

AN INTERNATIONAL MOVEMENT ACTING LOCALLY

- Founded in Brussels in 2005 and active in more than 100 cities across the globe
- Nationwide area of intervention
- Based in Bonnevoie and operating in the 3 major cities

THE N°1 CHARITY FOR THE EXPAT COMMUNITY

- 100% volunteer-based non-profit organization with 20 active members
- Committed to develop the culture of volunteering in our society
- A volunteer pool of 1000+ motivated people from 70 different countries

100 PROJECTS PER YEAR TO SERVE THE CITY

ENVIRONMENTAL PRESERVATION

ASYLUM SEEKERS INTEGRATION

ASSISTANCE TO PEOPLE IN NEED

3 different ways to rebuild connections within our neighbourhoods and act collectively to make our cities green and clean again!

Grouss Botz

Nationwide spring clean-up gathering dozen of volunteers and organised simultaneously in different cities and districts of Luxembourg.

Mini Botz

Local event gathering up to 10 volunteers organised throughout the year to act in a specific district requiring a little clean-up.

World Cleanup Day

Usually a single meeting point and teams acting in star shape to share the experience together united with other volunteers all around the world.

2022 Edition

- **WHEN:** May 14th as part of STC International Global Volunteer Day
- **WHAT:** Collect trash and have an impact on the environment and our local communities
- **WHERE:** at your doorstep! Directly in our neighbourhoods with people ready to get involved and "Serve the City"
- **WHO:** 100 volunteers split in 10 groups spread all over Luxembourg. Local action with national impact!
