George Ezra, English singer-songwriter and musician, today announced a headline show at Neumünster Abbey on Monday, 26 June 2023. The open-air concert will mark the artist's first ever appearance in Luxembourg. After releasing two EPs, Ezra rose to prominence with the release of his hit single 'Budapest' in 2013, reaching the top 10 in several countries.

After two blockbuster albums – *Wanted On Voyage* (2014) and *Staying At Tamara's* (2018), both of which reached number 1 in the UK and went 4x platinum in the UK, with over 8 million album equivalent sales globally and 7 billion career streams - the 6x platinum UK number 1 single 'Shotgun'; and the 2019 Brit Award for British Male Solo Artist, it was time to return to heart and hearth, with an album written and produced entirely in London with longstanding collaborator Joel Pott. The resulting record *Gold Rush Kid* (2022) is some of Ezra's most personal and reflective work to date.
